

Weekly Announcements:

Ready-to-go for use in-person, bulletins, emails, and social media

Week 1 Announcement:

The Baby Bottle Campaign starts today! The campaign makes it easy for you to participate in the ministry of Savannah Care Center. Just pick up a bottle as you leave today and fill it with coins, cash, and/or checks payable to Savannah Care Center, then bring it back to the church in three weeks. The money we collect allows SCC to provide free services to women and men in our community facing unplanned pregnancy decisions. We pray they will be transformed by the gospel of Jesus Christ and empowered to choose life for their preborn children and abundant life for their families.

Week 2 Announcement:

Remember the baby bottle you picked up last week? Keep filling it with coins, cash, and checks payable to Savannah Care Center. Don't forget to bring the bottles back to church with you in two weeks so they can be returned to Savannah Care Center. The money we collect allows SCC to provide free services including Pregnancy Testing, Ultrasounds, Educational Classes on Pregnancy, Childbirth, Breastfeeding, Parenting, Life skills, and Fatherhood. We also offer Spiritual guidance, Mentoring, and Post-abortion support and healing groups. Please pray for our clients to be transformed by the gospel of Jesus Christ and empowered to choose life for their preborn children and abundant life for their families.

Week 3 Announcement:

Please remember to bring your baby bottle back next week! The Baby Bottle Campaign for Savannah Care Center ends next Sunday. The money we collect allows SCC to provide Material Assistance including: diapers, formula, clothing, and baby furnishings for free to women and men in our community facing an unplanned pregnancy. Savannah Care Center is funded solely through individual, church and corporate donations. We do not receive any local or federal funding. Please prayerfully consider making a donation through the Baby Bottle Campaign or directly at savannahcarecenter.org.

Week 4 Announcement:

Please turn in your bottles today. Savannah Care Center will count all of the change, cash, and checks collected and let us know within two weeks how much we've contributed to this beautiful ministry. If you forgot to bring your bottle today or haven't had a chance to fill it, please bring your bottle back to church or drop it off at the Center as soon as possible so it can be used again next year.

Thank you – your filled bottles change lives!
